

HOLIDAY MESSAGE

The holiday season is known as a time of giving and as a time to enjoy, appreciate, and share memories with family & friends. Team Woodall takes great pride in developing long lasting relationships with our clients and in that spirit would like to share some of the ways in which we give back and appreciate the opportunities we've received. Community involvement is something we firmly believe in and that's why we participate in the Long Realty Cares Foundation. Part of every commission we earn is donated to this fantastic organization which delivers money to a variety of charitable organizations around the Tucson area. We're proud to be associated with a company like Long Realty that gives back and improves our community.

Donating money through the Long Realty Cares Foundation is one avenue we're able to help give back, but much more important to us is getting actively involved in our community through volunteerism. Currently we're fortunate to be donating time in our children's school classrooms, as Vice President of the PTO at our daughter's school, as President of our Homeowner's Association, and most recently getting involved in a non-profit called Family First. Our goal is to not only help people with real estate, but help positively impact our community.
