

## LATEST NEWS

Volume 50 - April 2016

This month marks the 50th volume of the Woodall Wire! That's quite a milestone to have achieved in consistently distributing a newsletter to keep you updated with news about the Tucson area real estate market. Our primary focus has been to provide a number of Featured Properties each month that are either great values, are uniquely appealing, or are located in communities of prime interest. Team Woodall continues to strive to improve our newsletter as part of our commitment to offering the highest level of service. Therefore, if you have any suggestions for improvements to the Woodall Wire please [email Stephen](#) with your constructive comments. Our passion and drive for this industry and our clients is reflected in the amazing testimonials we've received from our satisfied past clients. This same drive and passion can also be found in one of our personal hobbies of ultrarunning. The dedication it takes to train for and complete these mountain running events of (so far) up to 50 miles requires the same tenacity and mental fortitude that we apply to our real estate business. We look forward to continuing to build our client base and demonstrating this commitment to excellence.
