NARANJA PARK EXPANSION BOND VOTE

Oro Valley's Town Council recently voted unanimously to place a special bond election on the Nov. 7th ballot. At that time it will be up to Oro Valley's voters to decide whether a secondary property tax will be enacted to pay for the \$17 million expansion of the Naranja Park. There are already two additional multi-use fields that are currently being constructed for the site and this bond would fund three additional fields, four baseball/softball diamonds, a concession stand with restrooms, 4 ramadas, parking lots, a playground, maintenance facility, and infrastructure improvements. This issue has great appeal to many families in the region and some vocal opposition as well, particularly from those still upset about the purchase of the community center & golf courses. HOUSEHOLD TIPS - WRAPPING PAPER, PAINT CANS, AND MORE!

This month we're straying from household maintenance and instead offering up a few unique tips that might be useful around the house. First up is a handy way to keep opened packages of wrapping paper tidier. Simply cut a used toilet paper roll down the middle and it acts as a sleeve to prevent your paper from unraveling. The second tip comes in handy when painting a room and is simple as placing a rubber band around an open paint can to wipe your brush on and keep the side of the can free of paint. The final tip this month is using nail polish to color code keys on your key chain to easily tell them apart. Of course the trick becomes remembering which color is for which lock!
