

LATEST NEWS

September kicks off the real beginning to the luxury market's best selling season in Tucson. More homes come onto the market, and winter visitors begin planning trips down to the area. Over the holidays the activity drops a little bit, but the luxury market should stay strongest until late April or early May. This year there have been 66 closed sales over \$1,000,000 according to MLS. Of those 132 transaction sides there are only 24 real estate agents who participated in more than one transaction side out of over 4,500 agents in all of Tucson. Team Woodall is among these multiple side luxury market agents. If you're considering a luxury property in the Tucson area, make sure you're working with an experienced luxury agent and call Team Woodall to schedule your appointment.
