Enjoy sensational views of the Catalina Mountains from this luxurious, resort-like backyard complete with a pebble-tec pool & spa, outdoor fire pit, and built-in BBQ. This serene setting is made even more desirable since it backs to a large natural common area with no neighbors immediately behind the home. Those excellent views are visible from the great room, breakfast nook, kitchen, master bedroom, and are simply stunning from the deck off the master which also captures city light views. The interior features include 3 bedrooms, 2.5 baths, a good-sized loft plus seating area, and a downstairs office or den space. All of this located in a desirable Rancho Vistoso location in Oro Valley with a park across the street & nearby to Hohokam Park too!. Just around the corner is the Amphitheater STEM school with Leman Academy of Excellence and Painted Sky also extremely close. Plenty of shopping & outdoor activities in this sought after location as well. Furnishings can be purchased for a turn-key, move-in ready home!
